Mantra

I am filled with loving compassion for myself & others. I am understanding. I am a part of the Tree of Life. I see clearly & speak with confidence. I am loyal to myself & others. I welcome positive transformation into my life. I am proud of the person that I am. My senses are in tune with my surroundings. I thrive in all areas of my life. I trust my inner talents to be of benefit for humanity. I am fulfilled. My head is clear & I am energized. I am cleansed. I am at one with myself, the Earth, & the Universe.

Cleansed by sage and incense. Charged by moonlight.

Where possible, includes Clear Quartz for cleansing other crystals, Selenite for charging other crystals.

Use: Daily to weekly. Pour into hand to make skin contact with stones. Program stones by stating intention or repeating mantra (your own or ours) for desired outcomes in love. The more they're used, the more potent they'll become & part of user's energy. Put outside overnight during full moon to charge.
